

ATTENTION DOWNWINDERS!!

Did you know the RECA Law is due to EXPIRE in June 2024?

Detonation of Fizeau on September 14, 1957 at the Nevada Test Site

PUBLIC MEETINGS!

Radiation Exposure Compensation Act (RECA)

- Receive information regarding the program's **scheduled sunset** (expiration) on June 10, 2024. Learn about bills that have been submitted to Congress.
- Have your questions answered about the program and its requirements
- Come see if you qualify for the RECA compensation (\$50,000 for qualifying downwinders)
- We will have applications and information available to get anyone who qualifies started on the compensation process

Mark the following dates and join us in one of these Nevada locations (local time):
