Planning Commission

e. For Discussion and/or Approve/Deny submission of Master Plan Chapter 4 for review and approval.

Planning Commission

f. For Discussion and/or Approve/Deny LCAT proposal of parking lot layout plan that would solve concerns of kiosk damage by a vehicle, prevent parking in front of fire hydrant, and allow for unobstructed access to the patio by emergency vehicles.

Marcia Hurd

g. For Discussion and/or Approve/Deny LCAT request for access to main Depot areas for LCAT tours and operations.

Marcia Hurd

As the opening of the community and visitor center is quickly approaching, and as LCAT and the Box Car Museum are frequently asked if people are allowed to see inside; and, in order to manage controlled access, we are requesting authorization to open closed areas to help tell the story of the Depot and Caliente. LCAT would like to offer extended tours on a regular basis that include the Depot, Box Car Museum, Rainbow Canyon and Elgin Schoolhouse. Full access to the main areas of the depot will enhance the experience. We would like to discuss possibly remedies for this request.

h. For Discussion and/or Approve/Deny LCAT signage and collaboration update.

Marcia Hurd

Signage update: The digital kiosk should be operational as of April 16, 2026. The large visitor center sign for mounting on the fence, facing US-93, has been delivered and is ready to mount once the Community and Visitor Center is operational. Wayfinding road signs have also been delivered and the City crew has them in their possession.

Visitor Center collaboration with the Community Center, as previously discussed, is being set-up to offer a warm welcome to visitors, tour guests, and act as a waiting area for guided tours. This public, front-facing area, will create an atmosphere that will invite visitors to learn more about our area and spend more time here, thus supporting our economy.
